1. This will confirm the verbal advice given you with respect to the refund of lump-sum leave to this Agency by [Redacted] on the occasion of his transfer back to this Agency from the Economic Cooperation Administration. You raised the question of the possible application of my memorandum of 26 March 1948 and the possible entitlement of [Redacted] to retain the lump-sum payment that was made to him when he resigned from the Agency on 26 May 1948.

2. Review of the files of the Finance Division and a search of members of the Finance Division on my behalf has resulted in the location of an Office memorandum dated 15 June 1948 addressed to our Finance Division requesting the transcript of leave be forwarded to the appropriate office in the Economic Cooperation Administration. The marginal notes which are dated and initialed by a member of the Finance Division indicate that even though lump-sum leave payment had been made to [Redacted] that the leave for which lump-sum leave payment was made was also transferred to EC and was utilized by [Redacted]. Other related items in the Finance Division file bear out the matters indicated in the memorandum discussed above.
